THOUGHTS FROM YOUR SUMMER INTERN

Hello CCA Family! How did your challenge go this week? I hope it was a challenge, because like a rubber band, we should be stretched to withstand the adversities that come. I challenge you to be parents and grandparents who **FOCUS on discipling** your children/grandchildren.

## F—First Seek Him

### O—Opportunities Come Knocking—Listen for Them!

I am sure your day is packed from the moment you get up until the moment your head hits the pillow. And even then, you think of all the things you did not do or need to do the next day. My question for you is this: are you taking advantage of the opportunities that God places in your lap each day?

Ephesians 5:15-16 says, *“Therefore be careful how you walk, not as unwise men but as wise, **making the most of your time**, because the days are evil.”*

### **A busy life must not prevent us from discipling.**

Are you slowing down enough to witness to people? Be aware of the people God places in your path. Are you taking the time to witness to your children/grandchildren? Are they seeing you take the time for others?

- Sing praise music in the car
- Pray with your children in the car
- Witness to others with your children/grandchildren
- Pray for your children/grandchildren before you eat
- Ask children questions about God, baptism, their day, their friends, who they want to invite to church, etc.

Remember that your children/grandchildren are watching and learning from you each day. They can see what you choose to make a priority in your life. **Show them that Jesus is your priority.** Everyone's spiritual walk is different, but I challenge you to incorporate these tips in your life.
