THOUGHTS FROM YOUR SUMMER INTERN

Hello CCA Family! This is your summer intern challenging you to be parents and grandparents who **FOCUS on discipling** your children/grandchildren. This is week three of FOCUS. Previous weeks have been loaded onto CCA's website and Facebook page.

F—First Seek Him

O—Opportunities Come Knocking—Listen for Them!

C—Color Outside the Lines

When I think of my walk with Jesus, I think of all the things I should do and need to do to be an effective Christian. While there are things God commands us to do, not everyone's spiritual walk is or looks the same.

Coloring outside the lines is finding what works for you and your family and stepping out of your comfort zone. I will never forget the time when my mom gave me \$5 and asked me to give it to a lady we saw that looked to be homeless. This was coloring outside the lines, and that memory sticks with me today. Do you have a memory similar to mine?

I challenge you to evaluate the ways you disciple your children/grandchildren. Are you discipling at all? There may need to be some adjustments made. Change does not have to be drastic. Show your children/grandchildren how to be the hands and feet of Jesus!

- Go on a hike/bike ride and talking about creation, sin and Jesus
- Give your new neighbor cookies and invite them to church
- Take your family to a nursing home and love on the seniors
- Let your children/grandchildren give a stranger \$5
- Have a block party to meet your neighbors

Remember that your children/grandchildren are watching and learning from you each day. They can see what you choose to make a priority in your life. **Show them that Jesus is your priority.**
